Dear Mrs. Ford:

Because of your sensible attitude toward sex I am sending soon, synopsis of my investigations of assasinations where sex was used to stage them and fear of sex scandal caused their coverup, giving your husband first chance to accept or reject them as a cause for re-opening of investgations, which are bond to come anyway and for your sake I prefer he get credit and 40 million votes there by.

Sincerely Yours,

Dr. D. Ray Dickey
